Dam - 465P

“Without doubt 503W is the most amazing individual we have bred or purchased, in all our 45 years of Poll Hereford breeding.”
 Craig Flewelling - World renowned cattleman of FCC and Kilmorlie Ranches fame.

- Extreme thickness and muscle expression coupled with superb softness and easy doing ability.
- Power Packed Performance **705 KG at 12 months**, with an actual birth weight of only **40KG**.
- The BEST EYE SET you will ever see and to complement that, a magnificent sire’s head and neck extension!
- Bred in the purple - the world’s best genetics through each generation. Unquestionable prepotent maternal lines.
- His Dam 465P a super milking individual, goes to strengthen Alliance’s very impressive set of EPD’S.
- Cosmetics, structure and hair type that stamps Alliance ALL QUALITY.
- Without doubt one of the most impressive Poll Hereford bulls to ever be imported to Australia.
